**Focusing on what we do best –
the manufacturing of high-quality furniture.**

OUR HISTORY

Etvaal was established as a small private company just over 50 years ago by two brothers, Bertus and Louis van der Linden. They started manufacturing solid pine furniture on a very small scale on a smallholding near Bronkhorstspuit in Mpumalanga. The company showed a steady growth and, after premises were obtained in the industrial area in town, started growing in leaps and bounds. Today Etvaal is a private company owned and managed by the Louwrens family. As a leading manufacturer of high-quality furniture, the company manufactures more than 350 different furniture items, most of them delivered by our own fleet, and provides employment to over 270 people.

Our proud record as a manufacturer of high-quality furniture in this competitive manufacturing sector means we can offer an unconditional guarantee and the best possible service and support to all our valued customers.
